

**REMARKS**

In response to the Notice of Non-Compliant Amendment, Agent for Applicant encloses herewith Figures 1-5 labelled as "Replacement Sheets" as indicated by the Examiner.

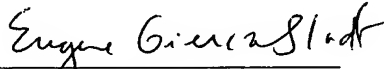

**Conclusion**

In view of the foregoing amendments and remarks, the application is believed to be in condition for allowance and a notice to that effect is respectfully requested.

Should the Examiner not find the application to be in allowable condition or believe that a conference call would be of value in expediting the prosecution of the application, Applicants request that the Examiner telephone the undersigned Counsel to discuss the case.

Applicant requests an opportunity to submit any Supplemental Amendment that might advance prosecution and place the Application in allowable condition.

Yours faithfully,

Agent for Applicant
